## Schoolfruit

Zoals in de vorige nieuwsbrief vermeld wordt er weer fruit geleverd voor alle kinderen. Bij deze een herinnering. Het start meteen na de meivakantie.

De dagen dat dit uitgedeeld zal worden zal zoals het er nu naar uitziet op woensdag, donderdag en vrijdag zijn. Mocht dit wijzigen dan hoort u dat uiteraard tijdig.

## School photographer

On Tuesday, May 14, the photographer (Vandenberg-ID) will come to school to take the annual school photos (portrait and group photos).

After the photo session, you will receive a personal invitation to the ordering website, where you can order photos or photo products.

In order to work with this web shop, the school will provide your child's group designation and full name to the photographer.

If you, as a parent, have any objections to your child(ren) having school photos taken, please notify your own teacher.

We are going to make it a beautiful day! The photographer recommends preferably putting on colorful clothes and not black or white clothes for beautiful results.

If you have any questions, please feel free to contact Fatima Saber (f.saber@bsklaverblad.nl).

## Review Kings Games

Thursday 25 we held the King's Games at school. The children danced, raced across an assault course and had a fun activity in the gymnasium. We look back on a fun day!

## Information meeting new preschoolers

Friday, May 17, 2024 Teacher Astrid will host a parent meeting on the ins and outs of the preschool groups. The following topics, among others, will be discussed:

- How does a day go with the preschoolers?
- Which subject areas are covered?
- How do we track our students?
- What goals are important?
- Practical matters
- Of course you can also ask questions

Is your child entering after January 2024 (in kindergarten groups A, B or C) or will your child start soon, then you are welcome at this meeting.

May 17  
walk-in: 08.45 hrs.  
start: 09:00 (the meeting will last about an hour)

## Project Artsweeks

This school year we are participating with the whole school in the Art Weeks project. The Art Weeks is an innovative educational concept that gives substance to this school wide. By introducing them to special artists such as Van Gogh, Picasso or Mondrian, elementary school students are inspired in their own work.

The project starts the week of May 21. The children's artworks will appear in an online museum where you can admire them. It is also possible that the artwork will be printed, for example, on a cup which you can buy. The teachers will keep you informed about this.

## Modeshow

Tuesday, May 23, a fashion show was held at school by the preschool and kindergarteners. How nice that so many parents came to watch. The children did very well and enjoyed it. Nice that also children in costume from their own culture walked the catwalk.

## **Bliksemstage 7A**

The following is a report from a student in grade 7A about the lightning internship she participated in:

*A few children from group 7A went to KJWR on Thursday, April 4. At stands for Children's Youth Judge Shop. You can call them if you have problems at home. They will give you advice. You can also call them if you want to know your rights. We also recreated a court case there. Thank you for learning.*

*Imani (group 7A)*

## **Coffe moment with management**

A coffee morning with management and Bartelien (our Parent Child Advisor) is scheduled for Tuesday, May 28. After the May vacations we will come back with exact times and whether there is a common topic or whether there is room to just engage in conversation. Of course you are always welcome if you want to discuss anything with the management.
