School hours

Compliments (Boosts) to lots of children and parents. How many children are now consistently arriving at school on time! The ticket system is starting to work better and better. Thank you for all your cooperation. After all, we do it together and it is in the interest of all our children so that they do not miss valuable educational time!

Review of starting interviews

Starting meetings have now been held at most groups. It is great to see that so

many parents have signed up through Social Schools. Some conversations still need to be held. We look back on a great start together. After all, we need each other for the optimal development of our children!

Coffee moment with management

Starting this school year we will start with a few coffee moments with management and our Parent Child Advisor (OKA) Bartelien Meinders. The purpose of these moments is to inform and meet parents.

Tuesday morning, October 17, is the first moment. The walk-in is from 8:30 and we will start at 8:45. This morning Bartelien Meinders will tell parents who she is, what she does and what she can do for parents and students.

Also Jochm Visser will probably join us. He works at the municipality and knows a lot about financial arrangements for parents. He will introduce himself and share a bit about that.

It is intended that he will also be present at the parents' evening. Even then you can contact him and ask questions or schedule an appointment.

The times of the parents' evening will be communicated to you later.

Schooldentist

The school dentist is coming back to school. She will start on Monday, October 9. Please also see the letter from the dentist attached.

Participation Council (PC)

Last year we informed you about the Participation Council. We also have information about it on our website since this school year, see the following link: <https://www.bsklaverblad.nl/pg-32849-7-139325/pagina/medezeggenschapsraad.html>

You can find all the dates here. If you once (partly) want to join an PC meeting please send an email to teacher Olga: o.poleon@bsklaverblad.nl.

We will also publish a short report of the meetings on the website.

You can also find the newsletters on our website. Always useful to take a look there if you want to quickly access previously shared messages 😊

City Pass Benefits

The income limit for having a city pass has changed. More people are eligible for a city pass. If you were previously just above the eligibility limit, we hereby advise you to check again with the municipality to see if you are eligible starting this year.

Having a city pass has other advantages besides reimbursing the voluntary parental contribution. The city pass is there to accommodate low-income families (so this lower limit has been adjusted). If you want to know what the benefits are and whether your child is eligible, take a look at the municipality's

website. You can get here via the link below:

<https://www.amsterdam.nl/werk-inkomen/hulp-bij-laag-inkomen/>

In the search bar you can enter 'stadspas' and then see what schemes are available. If you can't figure it out there is also a phone number listed for help. It might be a good idea to check it out! If you still can't figure it out let us know.

See the link below to see what you can do with a city pass:
