- 21/12 Christmascelebration and christmasdinner
- 22/12 Half day school, school ends at 12.00 noon
- 22/12 Newsletter 5

Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.

Report interviews

In the week of December 11, the 1st report interviews will take place. Starting Monday, you can register for these via Social Schools. So keep a close eye on the app 😊

Because the cooperation between parent, school and child is of great importance for the optimal development of our children, we expect all parents to attend the meeting. So don't forget to sign up!

Week of parent drop-in

The week of Nov. 6 marked the first week of parent drop-ins. Nice to see so many parents entering the school and classroom and experiencing the start of the school day!

The week of Feb. 7 will be the second week of parent drop-ins.

Sinterklaas

On Tuesday, December 5, we will celebrate St. Nicholas. The teacher will keep you informed about the content of your child's celebration. On this day the children are free at noon!

Christmas

The month of December is a real festive month. We also celebrate Christmas together. As in previous years, there will be a Christmas celebration in the morning. As a parent, you are welcome to attend. The times of the groups will be communicated with you by then.

In the evening we will again have a Christmas dinner. The teacher of your group will inform you about this. Like last year, it is possible for parents to wait in

the main hall during the Christmas dinner until the children have finished. Of course we will provide Christmas music and some nice food and drinks.

On Friday, December 22, the children have half a day of school and are therefore free at noon!

Vreedzame School – Group meetings

In addition to this newsletter, you have also received the newsletter for Block 3 of De Vreedzame School. In it you will be taken through what the lessons are about.

As you know, we also work with student mediators who help children resolve conflicts in a peaceful manner. This fits nicely with our rule from the constitution 'At Klaverblad we solve conflicts peacefully'.

In addition, this year we are deepening our focus on holding group meetings. From the core objectives we have the task to let our children gain knowledge about the democratic society, but also to gain experience with this. From now on, group meetings will be a regular part of the curriculum in grades 3 through 8.

This way our children gain experience with this and learn how it works in practice. The study/work afternoon on Friday,

November 14 was partly devoted to preparing this, with our Vreedzame School supervisor supporting the team members in the preparation.

Thus we are taking another great step with regard to De Vreedzame School and working from the citizenship goals.

Parental contribution

On Monday, November 20, you received a notice with information detailing what we use the parental contribution for. Thank you to all the parents who were so quick to have the city pass scanned or have already transferred it!

A kind request for other parents to get this in order. Please see below again the steps to get this done:

1. Transfer the money to the school account: NL06RABO0330788183, please mention your child's name and group.
2. You bring your child's city pass and have a copy made by master Kenneth or master Roel. This will be scanned. The district will then transfer the parental contribution for your child(ren).

Review parent meeting Theme: 'Food and drinks'

As a school, we recently hosted a parent meeting on the theme of "Eating and Drinking," based on the Pyramid program.

Astrid, our VVE coordinator, and leaders Sharlexa and Willeke welcomed parents from both preschool and group 1-2. In a friendly atmosphere we shared information and gave parents suggestions to do at home with their children. In the month of February the Pyramid theme 'Sick and healthy' is on the program. We are looking forward to the next meeting!
