## Review Christmascelebration and diner

How many parents attended the Christmas celebrations. Great! All groups presented something. Nice to see that students of group 8 have talked together the Christmas celebrations with the toddlers and preschool. In addition, group 8 also acted out the Christmas story at the celebrations of groups 1-2 and preschool and groups 3 to 5. What a team!

In de avond hebben we fijn samen gegeten met de kinderen. Dank aan alle ouders/verzorgers die in de gelegenheid waren om daar een bijdrage aan te leveren!

## Christmas boxes

This school year it was possible to arrange a Christmas package for all students from a grant for school meals. Last Wednesday afternoon we were able to hand out over 200 Christmas packages. Thanks also to all the parents who came especially to support their child(ren) to be able to bring home this package. We hope you enjoy this package with your child!

The children also had a gift in the evening.

We owe this present to de Lanschot Bankiers! They also supported the school during the Christmas dinner. Thank you,

also on behalf of all the children and the team!

### **Coffe moment with management**

There will be a coffee afternoon with directors on Tuesday afternoon, January 16. This is a follow-up to the first coffee moment of October 17. As told then, one of the next moments would focus on the social safety plan to inform you how we try to ensure safety in school. Fleur Ruhneman has been supporting us as a school with this for over two years. The lessons of the Peaceful School are an important basis of this plan. The coffee afternoon takes place from 13.15 - 14.15 at the latest (first quarter is walk-in, presentation starts at 13.30).

After the vacations, we will remind you of this afternoon via Social Schools and then also offer the opportunity to indicate whether you will attend. Then we will have an idea of how many people we can expect.

We hope to see many of you then!

### **New district agent**

I would like to introduce myself. I am Niels Post, recently the new district

agent of the FD-neighborhood in Amsterdam South-East, which includes primary school Klaverblad.

I can regularly be found in the neighborhood, so perhaps you or your children have already seen me pass by. If you need to talk to me, you can leave a callback request at 0900-8844 or speak to me when you see me pass by.

### **Jochem present on tuesdays**

Jochem Visser is at our school once a week in the morning. He knows a lot about all kinds of financial regulations. After the Christmas vacations, he will be at school on Tuesdays for the coming period and not on Mondays. He will be present from 8:00-10:00 am.

For a little more information about Jochem Visser and his contact information, I will once again attach his letter of introduction. Please do not hesitate to contact him!
