- 16/02** Nieuwsbrief 8
- 17-02 t/m 03-03** Voorjaarsvakantie

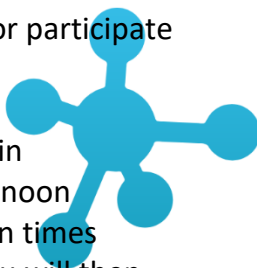

Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.

Week of parents drop in

The week of Monday, February 12, is the second parent walk-in time for grades 3-8. This means that you as parents can experience the start of the day.

Depending on the teacher, this will be the first 15 to 30 minutes of the day. You can then look at the work of and with your child, read together or participate in a teacher activity.

The group teacher will be in the week of February 5 at noon hour to open up the sign-in times through Social Schools. You will then sign up for a day and a time slot. That time slot probably indicates a 1-minute appointment, but the reality is that you sign up for a morning and then can be in class until no later than 8:45 unless the teacher indicates a different end time.

Signing in is available until 4 p.m. on Friday, Feb. 9.

We are hoping for another great turnout this week! Will you sign up on time?

National Reading Days 2024

National Read Aloud Days kicked off Wednesday, January 24. As a school we think (reading aloud) is very important. Therefore, one of the agreements is that we read daily in the groups. Miss Marga has shared many tips about the importance of reading aloud and how to do this. These messages have been sent to the parents of groups 1 to 3. Here is the link where you can find the reading aloud tips. Be sure to take a look 😊

De Nationale
Voorleesdagen
2024

24 januari t/m 3 februari

To give reading aloud extra attention, the Cloverleaf staff will be reading aloud to each other in class. Each group will be visited twice by a staff member who will come to read aloud.

I had the privilege of reading to group 8 with teacher Olga and teacher Desmond. Last Wednesday, January 24, I read from the book 'Eighth-graders don't cry' by

Jacques Vriens. It was nice to see how focused the students were while reading. The teacher continues with the book and I asked the students to keep me posted on how things are going.

After all, we are doing it together!

Review coffee moment with management

On Tuesday afternoon, January 16, there was a coffee afternoon with management. We reflected on the school's social safety plan. The lessons of the Peaceful School are an important part of this plan. It was explained how we deal with undesirable behavior and how we as a school try to teach and guide the students as much as possible from preventive teacher action in showing desired behavior. By having clear agreements and rules we offer structure and safety to the students and to the staff of the school.

How we treat each other is also something children are allowed to learn. That goes with trial and error. Also with us it sometimes happens that children

get into a conflict with each other. Should you, as a parent/guardian, have any concerns about this, I would like to ask you to discuss this with the teacher. There have been times when a parent/guardian or family member has spoken to a student in the school. This makes it very unsafe for the student and we therefore do not think this is a good idea. If there is anything, please report to the teacher. You may count on us to pick this up, if it has not already been done. Because everyone belongs and we care for each other are two rules of our constitution. Thank you in advance for your cooperation!

Doorstroomtoets group 8

On Wednesday, February 7 and Thursday, February 8, grade 8 students will take the Doorstroomtoets. The final test of Cito has been replaced by the Doorstroomtoets. This is the first time we will work with this test. We wish all students of group 8 lots of success!

SUCCESS!

Spring vacation

Because we have scheduled a study week following spring break, students' spring break will last two weeks. Friday, Feb. 16 is the students' last day before spring break begins. We then expect the children back in school on Monday, March 4.
