- 26/04** Newsletter 11
- 29/04 t/m 10/05** May vacation
- 13/04** 1^{ste} day at school after may vacation

Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.

Schoolfruit

Cloverleaf participates annually in the EU school fruit campaign. So far we have been entered every year. We receive three days of fruit for 20 weeks per school year for all our students. The week of April 15 is the last week of this school year. The purpose of this is to provide the children with healthy food, but also to introduce the children to different tastes and types of fruit. Fortunately, from school meals from the May vacations until at least the summer vacations, we can also provide the children with fruit again for three days. We are doing this with the help of van Kekemfruit. The supplies from van Kekem fruit are mainly about healthy food and there will be less variety.

The days this will be distributed will be Wednesday, Thursday and Friday. Should this change you will of course hear about it in good time.

Presence Jochem Visser

Jochem Visser is at our school once a week in the morning. He knows a lot about all kinds of financial arrangements for parents in Amsterdam. He will be at school on Tuesdays in the near future. He is present from 8.00-10.00.

Next Tuesday, he will also share another flyer to all parents as they enter with information and also with his contact information. Please do not hesitate to stop by him if you have any questions about this.

Review easterbreakfast and celebration

Thursday, March 28, we celebrated Easter again at school. All groups had a nice meal together and all groups had an Easter celebration in the hall. How nice to see that so many parents attended! We look back on a pleasant gathering.

Parentsmeeting 'Positive parenting'

There will be a parent meeting on positive parenting on Tuesday, October 16. See also the attachment with more information about it.

Participation councilmeeting

Wednesday, March 20, we held another MR meeting. Among other things, the goals from the year plan were discussed here. We as a school take the MR in what has already been accomplished and what the state of affairs is. The annual schedule was also discussed. If you want to read more about it, you can always read the reports on the website:
<https://www.bsklaverblad.nl/pg-32849-7-139325/pagina/medezeggenschapraad.html>

Kings Games

On Thursday, April 24, we will celebrate King's Games at school. Each group will have the opportunity to play sports activities for 1.5 hours. There will be teachers who will give sports clinics in dance and martial arts, among others. It is nice if children come to school in sporty orange attire.

We will start the day with the King's Dance, "Daba die Daba Daa. We started practicing the dance in class this week. Of course, your child can practice the dance at home. I will send you another reminder

via Social Schools about this day in a timely manner.

We will make it a great field day!

Sporting greetings,
Teacher Bo Ra

Parental contribution

From time to time we bring the parental contribution to your attention. This is voluntary, but also necessary to organize all kinds of fun and enjoyable activities for the children and also the parents. The parental contribution is € 50, - per child. For the children of group 8 this is € 80,- because of the camp and the farewell evening. For children who came to school after January 1, the parental contribution is € 30,-.

In the attachment I will once again add the document in which the activities for which this contribution is used.

A friendly request to all parents to please make this in order. See below again the steps to do this:

1. Transfer the money to the school account: NL06RABO0330788183, please mention your child's name and group.
2. You bring your child's city pass and have a copy made by master Kenneth or master Roel. This will be scanned. The district will then transfer the parental contribution for your child(ren).
