20/06 Group 7A en 7B: visit Fire Bird
21/06 Newsletter 13

Tip: In Social Schools kunt u bij agenda ook belangrijke activiteiten en vrije dagen terugvinden voor de komende periode.

Leerling in Beeld tests

In the past, we did not always communicate when we administered the then Cito tests to students. These tests are now from Leerling in Beeld. We did this because we grant the children to be able to take this as relaxed as possible and not experience any pressure.

On the other hand, there are also parents who appreciate being informed. It is nice if in those (extra) weeks it can be taken into account that the children have sufficient rest.

The tests will be taken from Monday, June 10 through Friday, June 21. It is important for our children to be able to take these tests without pressure. These tests are a tool for us to arrive at objective data. These results are analyzed and help us to see how we are doing and where we may need to adjust. We are especially curious to see what they can do without us and what they need extra support and practice for in the near future so that we can better adjust our offer if necessary.

Camp group 8

Group 8 went on camp at Kindervakantieland Kemphaan from Wednesday, May 15 to Friday, May 17. The children had a great time and did all kinds of fun activities like visiting the Aviodrome and the swimming pool. In addition, they even saw a musical performance about Johan Cruijff. The children behaved exemplary and, like the teachers, have hopefully recovered by now!

School trips

School trips for groups 1 through 7 are coming up again. On Wednesday, June 26, groups 1 to 4 will go on a school trip and on Thursday, June 27, groups 5 to 7. The destination is also already known. And is shared below.

As you read in an earlier post this week, a large portion of the parental contribution will be used for field trips. The first down payments have been made thanks to all the parents who have already put this in order. However, we do not have enough to pay for everything in full. The parental contribution is voluntary, but without it we cannot fund these things. So again the request to please put this in order. Arrangements to pay in installments are also possible. That is why I am sharing again in this newsletter how the parental contribution can be transferred. Thanks in advance!

transfer the parental contribution for your child(ren).

And now the destinations for this school year.....

Groups 1/2: Oud Valkeveen
Groups 3 and 4: The Juliana Tower
Groups 5,6 and 7: Drievliet

Parents are often asked to accompany the school trips. Each teacher arranges this for his/her own group. This is usually requested through Social Schools.

Parental contribution

The parental contribution is € 50,- per child. For children who came to school after January 1 it is € 30,-.
Below again how you can transfer it.
Thank you!

1. Transfer the money to the school account: NL06RABO0330788183, please mention the name of your child and group.
2. You bring your child's town pass and have a copy made by Kenneth or Roel. This will be scanned. The district will then
