## Summerparty

After the success of last year, we are organizing a Summer Festival again this year. This will take place on Friday, July 5 from **4:30-7:00 pm**. We hope that many children and parents can attend 😊.

We would love it if there are parents who would also like to bring something to eat for this party. Perhaps something typical of their own culture so that others can taste and learn about it. Of course the school will also provide some snacks. If all goes well, your child has already brought a registration list where you can indicate what you would like to prepare. It is great how many parents have brought something and how together we can design the party.

However, do not feel obliged, but if you can spare something and would like to support us in this, that would be great. There will be large tables where this can be placed. The most important thing about this party is that we can be together

and end the 23-24 school year in a fun way!

Last year we presented our homemade constitution on this festive day.

Once again there is something great to unveil, namely our new school logo. The plan is to show it to everyone during the Summer Festival. We hope that as many people as possible can attend this special moment.

## Report interviews

Your child's teacher will inform you when your child will bring home his/her report card.

During the week of July 8, it will be possible to meet with the teacher to discuss the report card. Starting Monday, July 1 at noon, you can sign up for an appointment. This can be done until Friday, July 5, 5 p.m. at the latest. This will be done through Social Schools. So keep an eye on the app 😊

## Keti Koti

Keti Koti will take place on Monday, July 1. We have a school day and the children are not at school. On Tuesday, June 25, we stand still and the children of all groups get lessons from ROY AND CLEO who will tell the children about this. If your child likes it, they can come to school in festive clothes on Tuesday, July 2!

## Books for all children

Good news. Because we are affiliated with the Youth Education Fund, we claimed a new promotion from Bol.com. We received another new reading book for every student.

The children will receive these as gifts to take home on Friday, July 5. On that day we will also celebrate our Summer Festival and it will be a festive day anyway! Below you can see which books the children will receive:

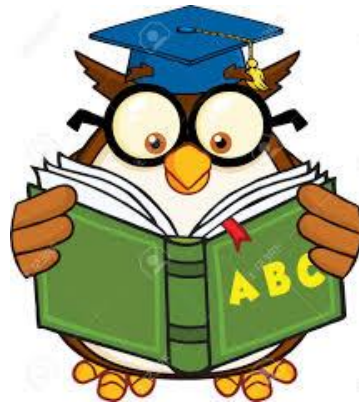

Groups 1/2: Anansi the spider and eggs for the king

Groups 3/4: Fox and hare - Owl wants to travel

Groups 5/6: Wildebras - A night at the zoo

Groups 7/8: The house with the sloping floors

Because reading is very important for children, we are very happy with these books. We wish the children lots of reading pleasure!

## Foodpackages for the summer

More good news! Thanks to the School Meals program and extra provisions from the government, we can again arrange an extra food package for all the children at the school. During Christmas we were also able to give a package to everyone. Now we can do this again for the summer vacations. It contains all kinds of products with a longer shelf life and hopefully an extra helping hand for many. On Friday, July 12, these packets will be distributed. The request to all parents/caregivers to see if it is possible to help your child take this home that afternoon. Again, van Kekem fruit is helping us with this!
