- 17/03** Start Vreedzaam block 5
- 21/03** Arts schoolday group 8  
Newsletter 10

*Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.*

### Spring vacation

As you read in the last newsletter, the children will have two weeks of spring break again this year. During the second week we will have a study week with our team and will work on the results, among other things. We look forward to seeing the children again on Monday, March 3.

### Resultinterviews

The past few weeks saw the testing period of CITO Leerling in Beeld for grades 3 through 7. Leerling in Beeld (LIB) is a student monitoring system. A student monitoring system is a program that gives teachers insight into the development of students. This is at the individual level, but also at the group and school level. We use this insight to best align the educational offerings with the educational needs of the students and the group.

### Invitation via Social Schools

After spring break, the results will be given with your child. Some parents will receive an invitation for an interview. If you have not received an invitation, but would like to have a conversation about this please sign up for an appointment with the teacher the week of March 3. Signing up for an appointment goes through Social Schools. Conversations about the results will take place the week of March 10.

### Parental satisfaction survey

In the past few weeks, we have again put out the parent satisfaction survey. In the end, 72% of parents filled it out for us. Thank you very much! It is good to see that many parents are very satisfied. The final grade the school received was an 8.3. Of course we are very happy with that.

We hope that if anything happens in the future that you have questions or concerns about that you will know how to find us even then. Of course, the route is to talk to the teacher first.

For our children, it is important that we as a school work together with the parents and children so that the children can develop to their fullest potential.

### De Doorstroomtoets

On Wednesday, Feb. 7 and Thursday, Feb. 8, our grade 8 students took the Transition Test. In the week of March 11 we expect the results. The parents of the students in

group 8 will of course be informed when this is the case and how the children did.

### Valentines day

See below a short report by a grade 8 student about a beautiful action by their grade 8 class on the occasion of Valentine's Day. This is a very nice example of how we can take care of each other and our environment together.

*In connection with Valentine's Day, we proved how much we love our school by cleaning up and tidying the schoolyard. We picked up all the plastic from the square and put it in garbage bags. Because our constitution says, "We take care of each other and our environment. This was our good deed for Valentine's Day.*

*Imane Jade, group 8A*

### Review participation council meeting

Afgelopen woensdag is de MR weer bij elkaar gekomen. Deze stond grotendeels in het teken van de tussenevaluatie van het jaarplan. Alle scholen maken een jaarplan waarin allerlei doelen geformuleerd worden. Deze worden gedurende het jaar geëvalueerd en komen ook structureel terug tijdens de MR. Ook de voortgang van Tommy Tomato is besproken en een eerste vooruitblik voor schooljaar 2025-2026.

### Evacuation drill

Every year we practice an evacuation drill. We practice this so children and colleagues stay sharp what to do in case of an emergency. Last Tuesday we conducted our annual evacuation exercise. The whole school was evacuated in no time. Compliments to all children and staff!

Now let's hope we don't really have to do it in the future!

**Parent's morning: solving conflicts peacefully**

On Wednesday, March 12, the next parent morning will take place at 8:45 am. Miss Ragnild has trained and continues to coach our student mediators. She will take you through how we shape this as a school and how we want to teach all our children to solve conflicts in a Peaceful way. That way you can also discuss this with your child at home when conflicts have occurred. We hope to see many of you there!
