30/06	Week of the reportinterviews
01/07	Keti Koti, children free at
	noon
02/07 t/m	Camp group 8
04/07	
04/07	Newsletter 14
07/07	Farewell group 8
09/07	Participation counsilmeeting
10/07	Last schoolday, start
	summervacation juli 11 until
	sunday august 24

*Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.*

## Vacations and free days schoolyear 2025-2026

The vacations and days off for the 2025-2026 school year are attached. These will also be incorporated into the Social Schools calendar early next school year.

**Important: Please remember that the first two class weeks of a new school year have mandatory attendance. Leave of absence may not be granted and sick and tardy students must be reported to the learning rights counselor.**

*The first day of school of the new school year is 25-08-2025!*

## New school – leaving Klaverblad?

Every year it happens that children change schools during the summer. This may be due to a move, but there may also be other reasons. It is very important for the school and for making group assignments that we know how many children we can count on from the start of the school year!

**The friendly but urgent request to let us know if your child will leave the school and thus will not stay at Klaverblad after the summer.** Preferably also mention which school your child will attend. You can pass this on by mail to:

[directie@bsklaverblad.nl](mailto:directie@bsklaverblad.nl)

## Summerparty

Once again this year we are hosting a Summer Festival. This will take place on Friday, June 27 from 4:30-7:00 pm. We hope that many children and parents will be able to attend 😊

We would love it if there are parents who would also like to bring something to eat for this party. Perhaps something typical of their own culture so that others can taste and learn about it. Of course the school will also provide some snacks. If all goes well, your child has already brought a registration list where you can indicate what you would like to prepare. It is great how many parents brought something last year and we were able to design the party together. In addition, it would also be great if there are parents who would like to support us during part of this party with, for example, handing out the food and drinks or assisting with sports and games. In the gymnasium and on the lawn behind the school building there are various game materials available such as

mega-table tennis, badminton, soccer and a bouncy castle.

However, please do not feel obligated, but if you can spare some and would like to support us in this, that would be great. There will be large tables where this can be placed. The most important thing about this party is that we can be together and end the school year 24-25 in a pleasant way!

### Report interviews

During the week of June 30 are the report discussions. During these conversations, you will be able to see the report card and it will be discussed with you. The results of the Pupil in Picture tests are also included in the report. The report can then be taken home. It is nice if this is returned to school!

From Monday, June 23 at noon you can register for an appointment. This can be done until Friday, June 27 at 17.00 at the latest. This is done through Social Schools. So keep a close eye on the app 😊

### Keti Koti

Keti Koti will take place on Tuesday, July 1. We will have a half school day that day. Students will be free from 12:00 p.m. on that day. On this June day we will commemorate the abolition of slavery. It promises to be a morning with a great program for the children. We will keep you informed. If your child likes it, they can come to school in festive clothes!

### Visit Holocaustmuseum groep 7

*On Friday, June 6, we took Group 7 to the Holocaust Museum. We went by subway and first went to the wall with all the names of Jews, Roma and Sinti who died, about 102,000 names.*

*Then we went to the Hollandse Schouwburg and the Holocaust Museum. At the museum, we went to investigate. We now know much more about how the children were rescued from the nursery. It was a kind of history lesson.*

Group 7

### Foodpackages for all children

Thanks to the School Meals program and extra provisions from the government, we are once again able to arrange an extra food package for all the children at the school. It contains a variety of products that have a longer shelf life and will hopefully provide an extra helping hand

for many. These packages will be distributed on Wednesday, July 9. The request to all parents/caregivers to see if it is possible to help your child take this home that afternoon. There is also a packet for grade 8 students. They can also pick these up at school at 2:15 pm. Again, van Kekem fruit is helping us with this!
