20/10 t/m 24/10	Autumn vacation

Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.

Schooldentist

As you may already know, the school dentist has already started again. See also the letter from the dentist in the appendix.

Kinderboekenweek

Children's Book Week started again on Wednesday, October 1.
This year's theme is: Full of adventure!

Reading (aloud) books is something we focus on throughout the year at school, but during this week we pay even more attention to how much fun reading can be and how important it is to be able to read well.

Reading (aloud) books contributes to your child's development. Children learn to empathize with others, gain a better understanding of language, and increase their vocabulary. Their knowledge of the world also increases. This is extremely

helpful in your child's development. We encourage you to make time to read with your child, visit the library, and discover together which book genres your child enjoys.

We hope and wish that all our children will discover how much fun reading can be and how enjoyable it is to become completely absorbed in a story.

LEZEN
IS LEUK

Enjoy reading!

Preschool day

Wednesday, October 15, is Preschool Day. On this day, you are welcome to visit Zonova opvang from 10:00 a.m. to 12:00 p.m. You will receive information about topics such as the daily routine and learning through play. Goal: We prepare toddlers for elementary school. Are you curious? Then come on by! Please spread the word; we really appreciate it. See also the attached appendix.

*Children can be registered from the age of 2.

Playful greetings, Sharlexa
HBO Assistant Coach

Drempelonderzoek group 8

During the week of October 13, the Drempelonderzoek will be administered to students in grade 8. The Drempelonderzoek is a didactic assessment that includes technical reading, language skills, vocabulary, reading comprehension, and arithmetic. The Drempelonderzoek is used in

conjunction with the results of the Transfer Test and previously administered tests to arrive at a sound school recommendation. The results will, of course, be shared and discussed with parents, as they form part of the school recommendation.

Talent week fall break

During the fall break, there will be all kinds of fun activities for our children during talent week. See the attached flyer for more information! 😊
