## Retrospective Sinterklaas

Fortunately, everything turned out fine with Sinterklaas. It was a bit tense for a while, but luckily the presents were found in time by his helpers and everything turned out fine with his horse Ozosnel.

After a joint opening in the hall, Sinterklaas and his helpers visited groups 1/m 4. Groups 5 to 8 celebrated in their own classrooms and then ended the day together with a fun game of bingo in the hall.

We look back on a wonderful Sinterklaas celebration!

## Christmas celebration and diner

It's almost Christmas, and we're already busy with preparations at school. This year, we would like to organize another Christmas celebration and Christmas dinner. We hope to make it a festive day together with the children.

On Thursday morning, December 18, we will hold a Christmas celebration in the hall. You are very welcome to attend. This year, we have decided to divide the groups differently than you are used to, **so please pay close attention to when your child's class is scheduled to participate.**

The times of the celebrations are as follows:

- **9:00 a.m.** – groups 1/2A, 4A, 6, kofi ne ama 1
- **10:00 a.m.** – groups 1/2B, 3A, 5, 8, kofi ne ama 2
- **11:00 a.m.** – groups 1/2C, 3B, 4B, 7

The Christmas dinner will take place on Thursday evening, **December 18**, from **5:00 p.m. to 6:30 p.m.**

Parents who are bringing food can arrive from **4:45 p.m.** onwards.

Parents who wish to wait for their children at school during the Christmas dinner are welcome to do so. Refreshments will be available and there will be festive Christmas music.

## **Christmas boxes**

This year, we are once again able to arrange Christmas hampers for all our pupils through the School Meals project. These hampers can be collected after school on Wednesday, December 17.

As we do not yet know how large and heavy the parcels will be, we would like to ask parents of younger children (groups 1 to 4) in particular to take into account that you can collect the parcel from the classroom on Wednesday. For children in the upper grades (groups 5 to 8), it would also be helpful if someone could assist your child(ren) in carrying the parcel.

## **Retrospective MR**

Last Wednesday, December 3, another MR meeting took place. The MR is now fully staffed again with two parents and two staff members. One of the topics discussed was the funding of school activities such as school trips, Sinterklaas, and the like. These are no longer paid for from the parental contribution, but by the Zonova foundation. As activities are becoming increasingly expensive, we as a school need to carefully consider what is possible. After each MR meeting, a report is posted on our website.
