noon  
**21/11** Newsletter Vreedzaam  
block 3

*Tip: In Social Schools, under calendar, you can also find important activities and days off for the upcoming period.*

### New parent representative on the parent council, introducing herself

At the end of last school year and in the second newsletter of this school year, we informed you about our search for a new parent representative for our MR. Unfortunately, we did not receive any responses. We have now found a mother who is willing to join. She introduces herself below.

*My name is Shermain Straker and I am the mother of two children, Dani, who is 21, and Demira, who is 7. My youngest daughter is now in fifth grade and has been attending Klaverblad since preschool. I recently started working as an energy consultant. Before that, I was a credit advisor. My passion has always been helping people. In my spare time, I often read books and enjoy shopping. I also*

*love watching series and can plan an entire weekend around it. I don't have a specific genre, I like a bit of everything.*

*I have signed up for the MR and hope to be able to contribute to our wonderful school. If you have any questions, feel free to ask, I am very approachable.*

*Shermain*

### National schoolbreakfast

Next Friday, November 14, we will once again be participating in the National School Breakfast. Breakfast is very important for starting the day with sufficient energy and focus. The teacher will inform you in good time what you need to bring from home in terms of plates, cups, cutlery, and so on.

### Retrospective week of parent drop in

The first week of parent visits has also taken place. It is always nice to see so many parents sitting in the classrooms, observing their children's lessons or work. It is also special for the children when their parents are there. So, on their behalf, thank you for coming and we are already looking forward to the second week, which will take place in February.

Of course, you will be reminded of this!

## Sinterklaas

On Saturday, November 15, Saint Nicholas will arrive in our country again. We are already busy with the preparations. The teachers will keep you informed about matters such as putting out your shoes and so on. On Friday, December 5, we will celebrate Sinterklaas. After his arrival, there will be a short joint gathering in the hall with groups 1 to 4 and Sinterklaas. Parents are welcome to attend. After singing a few songs, the groups will go to their own classrooms, and this year, Sinterklaas will visit groups 1 through 4 and the Kofi Né Ama preschool. He will start visiting the classes around 8:50 a.m.

First of all, a request to the parents who will be present in the hall during the joint part of the program. There will be no time to take selfies with Sinterklaas. He has a busy day ahead of him. The necessary photos will undoubtedly be taken in the classrooms and shared via Social Schools. Thank you in advance for your understanding.

The children will be free at 12:00 noon that day!

## Reportinterviews

The first parent-teacher conferences will take place during the week of December 8. You can register for these via Social

Schools starting Monday, December 1. So keep an eye on the app 😊

Because cooperation between parents, school, and children is very important for the optimal development of our children, we expect all parents to attend the conferences. So don't forget to register!

## Retrospective parent meeting and review parent meetings 25-26

On Wednesday, October 29, we held the first parent morning of the school year. We were delighted to see so many parents in attendance.

During this morning, Ms. Bo Ra (liaison officer), Ms. Margaret (Parent Child Advisor, PCA), and Helena (parent consultant) explained their roles at our school and how they can support parents.

The management also reiterated to parents that if they have any questions or concerns, they are always welcome to discuss them and should not wait until a parent morning is organized. We briefly discussed the importance of reading (aloud) and how math education is structured across the different grades.

The upcoming parent mornings for this school year are listed below:

Data	Subject
Thursday february 12	Healthy food with miss Margaret (PCA)
Thursday march 26	Solving conflicts peacefully with miss Ragnild
Thursday may 21	Positive parenting and setting boundaries with miss Margaret (PCA)
